

Defendants moved for reconsideration of that memorandum and order on January 25. Defense counsel stated they were “unaware of the local rule require a response to be made within fourteen (14) days.” [#17 at 2.] As officers of this Court, counsel are surely aware of their obligation to know the Local Rules.

Plaintiff responds that defendants have already responded to plaintiff’s written discovery in compliance with the Court’s January 22 Order. It appears, then, that the motion to reconsider is moot.

Accordingly,

IT IS HEREBY ORDERED that defendants’ motion to reconsider [#16] is
DENIED.

Dated this 15th day of March, 2021.
